All about Love by Steven Curtis Chapman

We've got CD sets and videos, radio and TV shows
Conferences, retreats and seminars
We've got books and magazines to read on everything

from A to Z

And a web to surf from anywhere we are
But I hope with all this information buzzing through our brains
That we will not let our hearts forget the most important thing

is...

Love, love, love, love, love
It's all about love, love, love, love, love
Everything else comes down to this
Nothing any higher on the list than love
It's all about love

Now they're fighting in the middle east
And they're fighting down on Seventh Street
And there are fights in my own house on given days
It's like something's lurking deep inside
That can't seem to be satisfied
But life was not meant to be lived this way
'Cause it's true for every man and woman

Every boy and girl
That our only hope for living here together in this world is...
Love, love, love, love, love
It's all about love, love, love, love, love
Everything else comes down to this
Nothing any higher on the list than love

This is the reason we were made
To know the love of our Creator

And to give the love He's given us away
Yeah, the Maker, and the Father, and the God of everything
He says to love, love, love
He says love, love, love
Love, love, love
'Cause after all, it's all about love

Gods says love, love, love, love, love
It's all about love, love, love, love, love
Everything else comes down to this
Nothing any higher on the list than love
'Cause after all, it's all about love. Yeah.

That's right, yeah (laugh) Woo!
It's all about, yea, yea
It's all about
All about love, love, love, love, love
It's all about love, love, love

All about love, love, love, love, love
It's all about love, love, love

After all don't you know?
That it really all comes down to love
After all don't you know that
Gonna tell you what it's all about, yeah
Yeah, it's all about love
Yeah, it's all about love, yeah, yeah
It's all about love,
Love, love, love (God's Love)
